HONOR ◊ INSPIRE ◊ CHALLENGE

INSPIRING GENERATIONS OF INNOVATORS

When you partner with the National Inventors Hall of Fame®, you support more than an event. You contribute to a brighter, more innovative future.

You make it possible to continue sharing Inductees' lessons and stories through nationwide invention education programs, innovative competitions and interactive exhibits at the National Inventors Hall of Fame Museum.

Your partnership makes a lasting difference by furthering our mission to recognize inventors, promote creativity, and advance the spirit of innovation and entrepreneurship.

Inductee Margaret Wu, inventor of Synthetic Lubricants.

EVENT OVERVIEW

Honor and sustain legacies of invention by joining the Greatest Celebration of American Innovation: the National Inventors Hall of Fame Induction Ceremony. Since 1973, the Hall of Fame has honored 639 Inductees whose ingenuity, creativity and persistence have made our lives easier, healthier, safer and more fulfilling. Now, your support can honor even more innovative heroes. Held in partnership with the USPTO and celebrating the past, present and future of invention, the Induction Ceremony is the year's most prestigious event for leaders in innovation. At this annual event, your organization can make a meaningful impact by recognizing the newest class of Inductees and inspiring the next generation.

Join in the celebration and become a partner for the National Inventors Hall of Fame Induction Ceremony.

WHY SPONSOR

This elegant affair is the beginning of a meaningful partnership. For more than 50 years, our nonprofit has reached young innovators nationwide with the stories and lessons of our Inductees. With your support, there is no limit to what we can achieve in the next 50 years.

INVALUABLE PARTNERSHIP BENEFITS

Induction sponsors receive brand recognition before, during and after the Induction Ceremony events. In addition, the National Inventors Hall of Fame offers collaborative support to highlight your brand through our digital and social media channels as well as public relations.

Exhibits at the National Inventors Hall of Fame Museum, located at the USPTO headquarters in Alexandria, Virginia, offer additional sponsorship opportunities that may be tailored to your brand and philanthropic goals.

WOMEN IN INNOVATION EXHIBIT

Discover breakthrough inventions and witness powerful interviews with current and future leaders in STEM.
