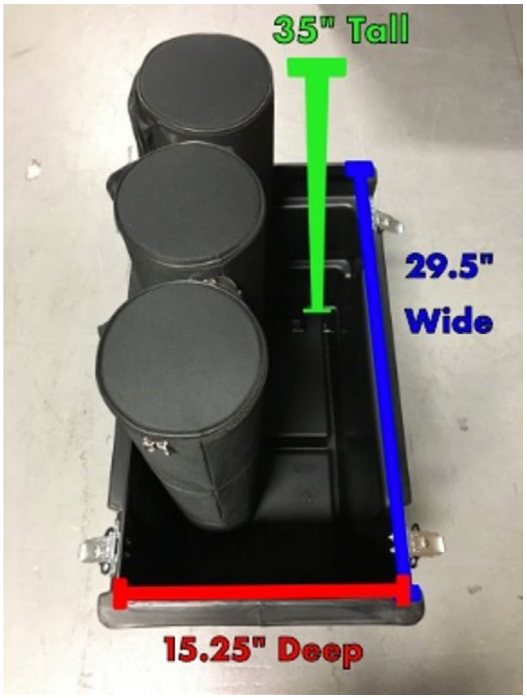
TWO CASES: FOR BOTH STORAGE AND SHIPPING



UPS-able

TWO CASES: FOR BOTH STORAGE AND SHIPPING

CASE 1

CASE 2

SETUP INSTRUCTIONS

BACKDROP INSTALLATION

https://vimeo.com/283758181

CONNECT TWO BACKDROPS

https://vimeo.com/283755995

CASE-TO-COUNTER CONVERSION AND TV MOUNT

https://vimeo.com/285865116

SETUP INSTRUCTIONS

Unpack Case 1 (Backdrop)

- Set up the backdrop
- Lay out the three Backdrop Panel Bases
- Panel 3 is the far-right panel

Take out the Backdrop Panel Poles and assemble them starting with the bottom poles. Work your way up, adding the middle and top poles.

SETUP INSTRUCTIONS

The poles should line up with the triangle on the base:

Expand the graphics of each panel:

- Tilt the pole toward you and slowly pull up the graphic
- Pull out the stability feet at the bottom

Connect the bases at the bottom and the panels at the top (must touch at the top and bottom for the magnets to work).

Connect the magnets at the back seems of the panels:

- The bottom magnet slides down

Video for assembling and connecting panels: https://vimeo.com/327738564.

Attach the top center board:

- Attach one piece at a time, starting with the piece that has the splice

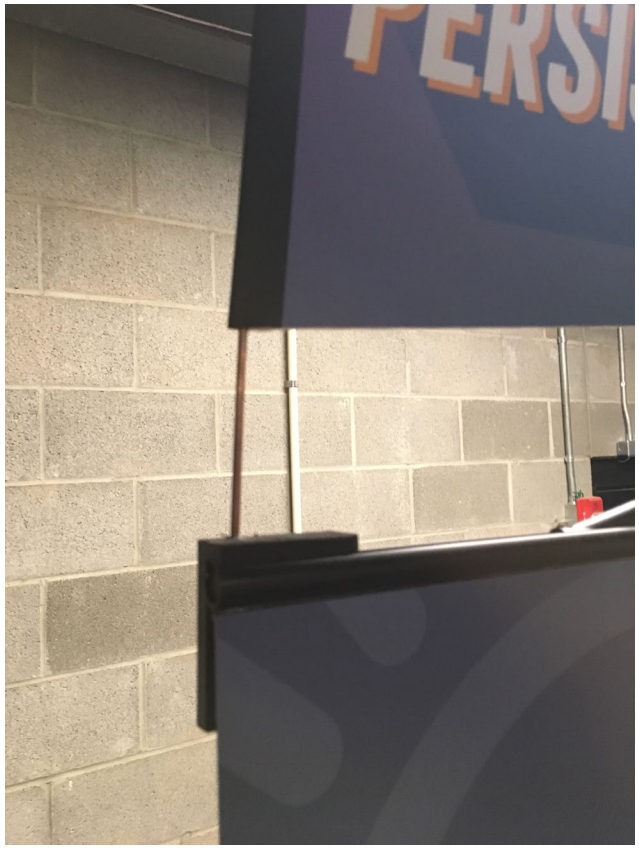
Attach the power cords for the backdrop lights, making sure to place one cord on either side, but never the same side.

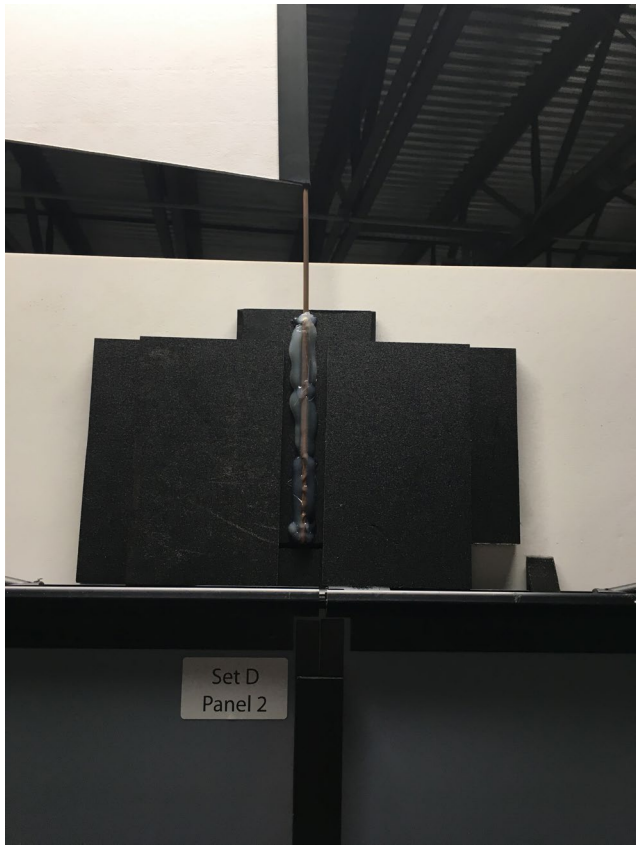
Attach the Backdrop Lights by extending the light first, then attaching it to the backdrop.

Attach the flags by sliding the base of the flag into the top of the backdrop panel:

- The middle flags are easier to attach from the back, by sliding them into the back of the top Backdrop Center Board

SETUP INSTRUCTIONS





Plug the black extension cord into the power source.

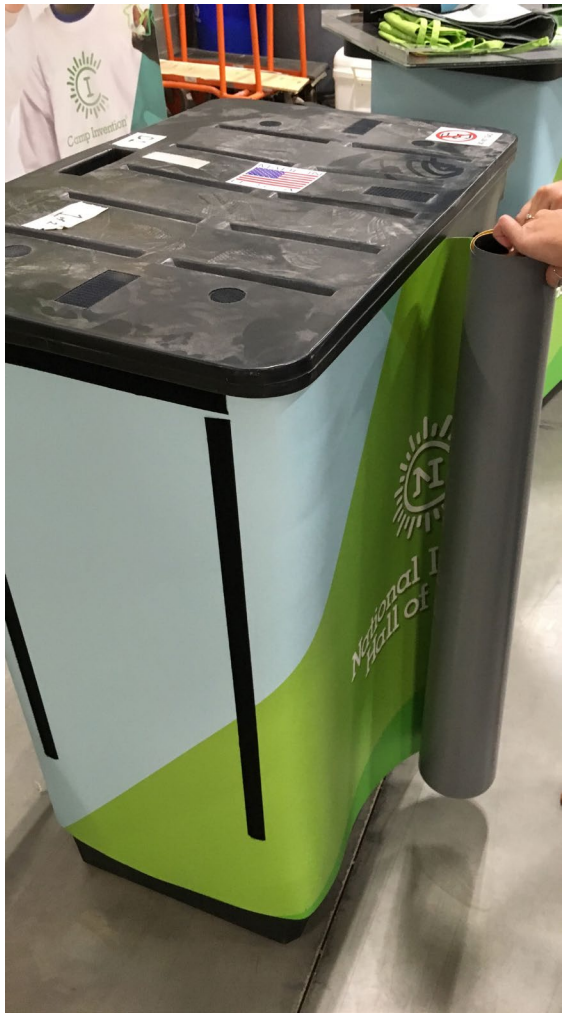
Plug in the Backdrop Lights.

Take Case Wrap 1 out of its box and place the box behind the backdrop.

Attach the Case 1 Lid and attach the clasps.

Attach the Case Wrap 1 to Case 1 – The top of the wrap has VELCRO® for the Side Pocket Attachments.

SETUP INSTRUCTIONS



Attach the Case Cap for Case 1 to the top of the case.

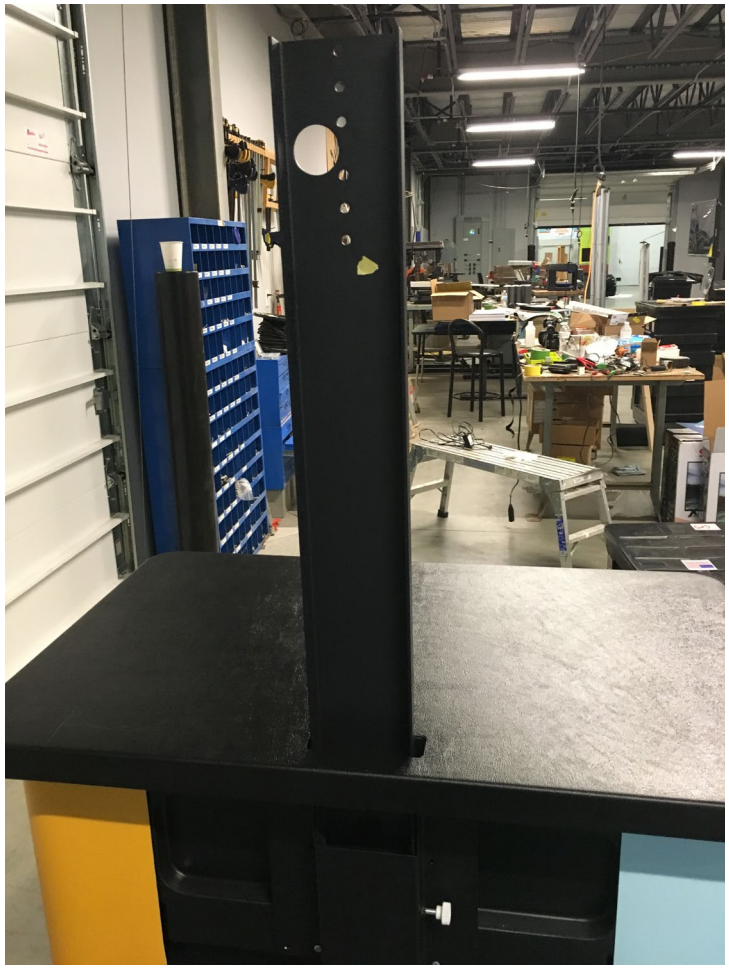
Set the Activity Table sideways on top of Case 1.

Unpack Case two (TV):

- Unpack the 2 stools and set them up
- Unpack the TV and gently set it on top of Case 1
- Unpack the TV Pole
- Pull the plug out of Case 2 and plug it into the power source
- Pull out the Collateral Box(es)
- Take Case Wrap 2 out if its box and place the box behind the backdrop
- Attach the Case 2 Lid and attach the clasps
- Attach the Case Wrap 2 to Case 2
- Attach the Case Cap for Case 2 to the top of the case

SETUP INSTRUCTIONS

Assemble the TV Pole.
The large pole piece goes in the back.



Slide on the TV.

SETUP INSTRUCTIONS

Pull the power cord down through the pole.

Pull the HDMI cord up through the pole and plug it into the TV.

SETUP INSTRUCTIONS

Power on the TV – If everything is plugged in correctly, the video (Cultivating Curiosity) should start playing.

Set up the tabletop brochure holder with Marketing Folders, Candy Bowl and Pencil Holder.

Set up the two Side Pocket Attachments with print collateral.

Place remaining promo items and collateral in the door of Case 2

BRIGHTSIGN HD1023 VIDEO LOOP PLAYER

7.1” W x 8” D x 0.9” H | 20 oz.

This device is a digital signage player, or what NIHF refers to as the video loop player.

To operate this device, connect the device to the television/monitor sent with the trade show materials.

Turn the player on by connecting the device to an active power source. The menu screen will begin playing after a few moments.

Once you have your player set up and running content, you can change the video simply by pressing a different button.

Press the number button to select from the following videos included on the player for the 2024 trade show season:

1. **Every Child Can Invent (1:13)**
   https://youtu.be/zyTnX00j5nw?si=q9GsBQrBLJkWmRv0
2. **Students Build a Powerful Mindset Through Invention Project (3:54)**
   https://youtu.be/2UVZPecAsgA?si=2T30JXavCPCcFiHg
3. **Choose Flexible Programs That Qualify for Funding (1:38)**
   https://youtu.be/KfkwESiL8N4?si=wVapfifw2PDW3xqL
4. **Introducing Invention Project (1:10)**
   https://youtu.be/pso4k0zo1gs?si=aOdYDk57hww5zAuH
5. **Illuminate Your Child’s Imagination with Camp Invention 2024 (1:16)**
   https://youtu.be/ae9plqesal4?si=okRo3uv5RCdAhVO1
8. **Return to Menu**
