

Camp Invention®

APRIL PROMOTIONAL GUIDE

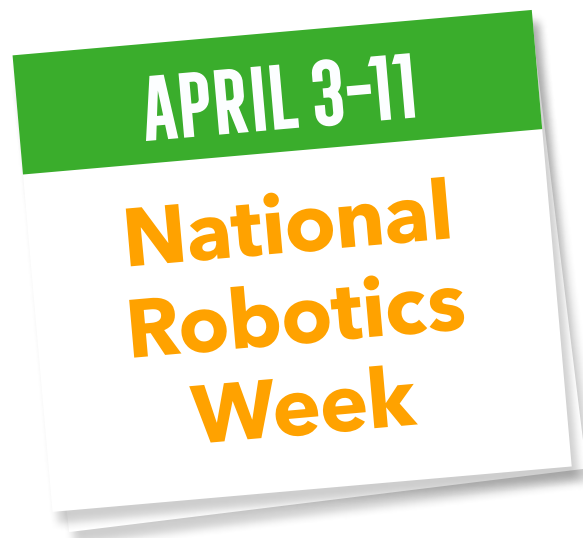

For Two-Week Programs Only

APRIL CAMP INVENTION PROMOTIONAL GUIDE

Happy April! We are excited to share the new resources below to support your Camp Invention® promotions leading up to this month's **\$30 DISCOUNT DEADLINE**. Because of your support, nearly **40% OF PARENTS** say that the reason they registered for Camp Invention is because of a school or teacher referral. Your efforts allow more children to experience the magic of Camp Invention and we cannot thank you enough!

In this guide, you will find resources for the following holidays/observances as well as the April discount deadline to help boost your program registration:

Camp Invention is not a school-sponsored program or school-affiliated activity.

SOCIAL MEDIA CONTENT - FACEBOOK

When promoting the \$30 discount deadline for Camp Invention through your Facebook event page or personal social media profiles, we recommend that you use the posts below.

Please Note: The Facebook and Twitter posts below include the national Camp Invention page tag (@CampInvention). This allows viewers the ability to visit our page to learn more information before registering for your local program. To activate the tag, click on it after pasting in the copy; the text will turn blue to confirm the tag is activated.

Two days left to save \$30 off your child's @CampInvention registration! Join us this summer [Camp Dates] in person or at home for an exciting week of all-new STEM fun! Register today using SUM30 to save. invent.org/mylocalcamp

Happy #EarthDay! If your child is excited for Earth Day, then they will love this summer's all-new @CampInvention activity, SolarBot, where we will explore sustainable energy like solar power and build custom habitats! Join us [Camp Dates]. Register today using SUM30 to save \$30. invent.org/mylocalcamp

Did you know it's #NationalRoboticsWeek? At @CampInvention this summer, campers will adopt their very own robotic crickets and design habitats for their robo pet! Celebrate this special week by registering your curious innovator for camp at [Location] the week of [Date]. Save \$30 using SUM30! invent.org/mylocalcamp

This summer [Location] is offering two weeks of @CampInvention for double the fun! [Recharge Camp Dates], children will discover their innovative potential through microphones, robotic crickets and morphing vehicles in Recharge! [Elevate Camp Dates], campers will explore STEM concepts through robots, sports innovations and glowing flowers in Elevate! Register today using SUM30 to save \$30. Register for both weeks to save an additional \$60 off week two. invent.org/mylocalcamp

Robotic crickets, wireless microphones and flying ducks are just the beginning of the action-packed fun in this summer's @CampInvention program! EMAIL INVITE

Below, you will find an email template including a link to [this blog post](#) that you can use to send emails to invite parents, colleagues, neighbors and friends, and their future campers to your program!

Hi Parents and Guardians!

As you're gearing up for the summer months, I'm excited to share a great opportunity for your child! This summer, I will be the **[Director/Instructor]** for Camp Invention® at **[Location Name]** **[Dates]**.

This program is a fantastic opportunity to introduce your innovator to STEM concepts and this year, you can choose an in-person or at-home format. Whether your child joins us in person or at home, they will explore real-world challenges through exciting activities like taking apart a wireless microphone, building their own duck-launching device and preparing their morphing vehicle for the Super Road Rally!

For more information, check out [this blog post](#) to see how Exploring the Science in STEAM is so beneficial for children, especially this summer! If you are ready to register, visit invent.org/mylocalcamp and use promo code **SUM30 for \$30 off**.

We would LOVE to see your kiddo this summer - please feel free to reach out if you have any questions!

Sincerely,

[Name]

EMAIL TEMPLATE AND DIGITAL FLYER

Below, you will find an email template including a [digital flyer](#) that you can use to send emails to invite parents and future campers to your program!

Hi, Parents and Guardians!

I'm so excited to share that this summer I will be the **[Director/Instructor]** for Camp Invention®! Camp Invention has offered unique STEM experiences for more than 30 years, and I'm proud to have been a part of it since **[year]**.

What makes Camp Invention so special is that it guides kids to build real-life skills through real-world challenges. It's incredible that just one week at camp can drastically shift how kids approach problem solving – but I've seen it happen firsthand as they design solutions, build prototypes and gain confidence in their own ideas.

I love this high-energy, hands-on camp, and I am so excited for the all-new Recharge program. To learn more about the program for your child, visit <http://experience.invent.org/>.

If you have any questions at all, please don't hesitate to reach out.

We're looking forward to an exciting week with your innovator!
